

## **ADDENDUM - INITIAL STATEMENT OF REASONS**

### **Amend Commission Regulation 1001**

---

#### **Problem Statement**

On September 30, 2021, Governor Newsom signed Senate Bill (SB) 2. SB 2 made significant changes to existing Government and Penal Codes, respectively. These changes provide for additional peace officer hiring eligibility requirements and also grants POST the authority to certify all peace officers in California, and subsequently take action against those certifications, should POST determine serious misconduct occurred. While the peace officer eligibility hiring requirements went into effect on January 1, 2022, the remaining changes to Government and Penal Codes will go into effect on January 1, 2023.

#### **Purpose and Necessity**

##### Commission Regulation 1001. Definitions.

POST proposes to amend Commission Regulation 1001 – Definitions to address the following:

- Remove terms related to peace officer certificates
- Renumber to accommodate removal of language related to peace officer certification
- Amend language to correct grammatical or punctuation errors

#### **Justification for Proposed Revisions**

After further review of the regulations, POST staff discovered revisions to 1001.
